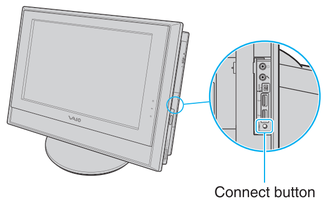
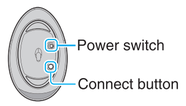
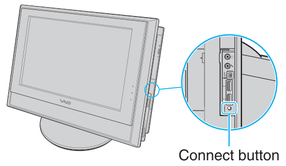
Connecting the Mouse



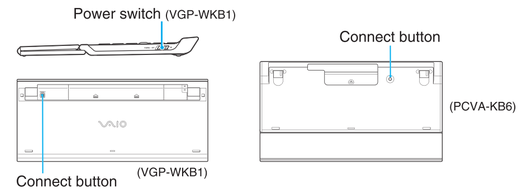
1. Insert batteries.
2. Press the **CONNECT** button on the right panel of the computer.
3. Turn the wireless mouse over and slide the power button to **ON**.
4. Press the **CONNECT** button on the bottom of the mouse.



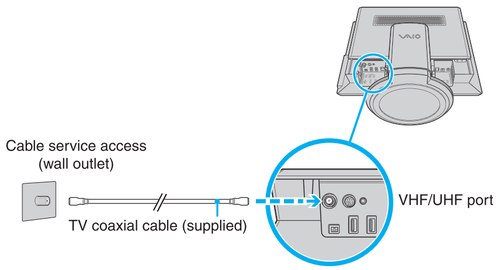
Connecting the Keyboard



1. Insert batteries.
2. Press the **CONNECT** button, located on the right panel of the computer. Turn **ON** keyboard.
3. Turn the wireless keyboard over and press the **CONNECT** button on the bottom of the keyboard.



Setting up Cable access



Starting VAIO Zone

VAIO Zone™ software* is a media and recording software that enables you to enjoy TV, videos, music, photos, and DVD movies.

Using the remote control

1. Point the remote control at the remote sensor and press the VAIO button.
2. Use the arrow control to locate and select menu options. Press **ENTER** to activate your selection.

Using the mouse

1. Click **Start** > **All Programs** > **VAIO Zone**. (You can also access the **VAIO Zone Help** and **VAIO Zone Settings** from this location.)
2. Use the mouse to locate and select menu options. Click to activate your selection.

*VAIO Zone software requires set up before using certain features, such as watching TV, TV Program Guide, or timer recording. Use the VAIO Zone setup wizard to activate and configure settings.

Hard Disk Drive Recovery

Your computer is equipped with the VAIO Recovery Wizard, a utility program that recovers your computer's operating system and preinstalled software to original factory-installed settings.

For online information about hard disk recovery:

1. Click **Start** > **Help and Support**.
2. From the **VAIO Help And Support Center** menu, click **VAIO Recovery Options**.

To access the VAIO Recovery Wizard utility from Windows XP:

1. Click **Start** > **Control Panel** > **Performance and Maintenance**.
2. From the **Performance and Maintenance** window, click **VAIO Recovery Wizard**.

Support Options

VAIO® Computer User Guide

The VAIO® Computer User Guide provides detailed information on how to maximize your computer capabilities and solve common problems.

1. Click **Start** > **Help and Support**.
2. From the **VAIO Help And Support Center** menu, click **VAIO User Guide**.

VAIO® Computer Specifications sheet

The online specification sheet describes the hardware and software configuration of your VAIO computer model.

1. Connect to the Internet.
2. Go to http://www.sony.com/pcsupport*.
3. Click the **Documentation** link and follow the on-screen instructions to locate your model's specification sheet.

*The Sony online Support Web site provides technical support and links to helpful information about your VAIO computer.
